

Sheet to be printed for the information of

HOW TO REACH “MOTTINO” and “PISTONA”

Our house has no fixed reception and you need to make an appointment with a person in charge of the delivery of the keys. In case of delay, on the scheduled time, please call +393491937360 (Alice) as soon as possible to find out if there is another timetable available for the check-inn.

Please print the directions because if you take the wrong path, you will enter the restricted traffic zone with access controlled by cameras and will come to you very costly automatic fines!

Follow these instructions:

- Set on the GPS “via Panoramica” in Orta San Giulio. Unless you have a GPS, on the roundabout of Orta follow signs for parking.
- Entering the uncovered parking lots, you will find the back entrance of the Hotel La Bussola. Someone from our staff will wait for you at the agreed time.
